Application No. 09/654,214

Filed: 09/01/2000

For: METHOD FOR ANALYZING AND COMPUTING
ANISOTROPIC TURBULENT FLOS

Examiner: Day, Herng Der

Art Unit: 2128

REQUEST FOR RECONSIDERATION

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

This is in response to the Decision mailed December 8, 2005 on a Petition to Revive, which was filed October 5, 2005. The Petition was dismissed for lacking an adequate reply to the final Office Action of December 21, 2004. Although a proposed amendment was filed with the petition, this was deemed to raise new issues. This Request for Reconsideration is therefore accompanied by a Request for Continued Examination in order to have the previously filed Amendment considered.

Favorable action is respectfully requested at the earliest possible date.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP

Date: 2/8/06
